Undergraduate Programs

**UNIVERSITY OF ENGINEERING
AND TECHNOLOGY, TAXILA**

Disclaimer

The rules and regulations governing various aspects of student's life at the University (such as semester system, examination, discipline, migration etc.) are given in this booklet or elsewhere (like in prospectus: admissions, fees, and charges etc.) are informational and should not be taken as binding on the University. There is no guarantee that these rules and regulations will remain unchanged throughout a student's stay at this University; nor does it, in any way restrict or curtail the inherent powers for the University authorities to modify them whenever in their judgment any modifications are called for, and to implement the modified rules and regulations from a date which they deem appropriate.

UNIVERSITY OF ENGINEERING AND TECHNOLOGY TAXILA

Vision

To be a quality conscious institution of international standing imparting knowledge in the field of engineering and applied technologies in a caring environment for the socioeconomic development of the country.

Mission

To fulfill the needs of the country by producing responsible graduates equipped with sound knowledge and skills along with highest moral values through conducive learning environment.

Core Values

PREFACE

University of Engineering and Technology was established in October 1993 by an ordinance issued by Government of Punjab. At present, nine BSc Engineering degree programs are operational; namely Civil Engineering, Electrical Engineering, Mechanical Engineering, Electronics Engineering, Computer Engineering, Software Engineering, Telecommunication Engineering, Industrial Engineering and Environmental Engineering. Three non-Engineering programs: BS Computer Science, BS Mathematics and BS Physics also exist in the University. Semester System of teaching and examination was implemented on all programs of UET Taxila in 2007.

Outcome Based Education (OBE) is a student-centered approach of curriculum design and teaching that emphasize on what learners should know, understand, and demonstrate and how to adapt to life beyond formal education. For the last few decades, there is an expansion of higher education sector in Pakistan and abroad has necessitated the focus on quality of engineering education.

The quality and competence of graduates and their relevance is critical for socio-economic elevation and technical manpower required to meet the requirements of the society. Established in 1989, the Washington Accord is an international accreditation agreement for the undergraduate engineering programs. It recognizes that there is significant equivalency of the engineering programs accredited by those signatories and accredited programs in signatory countries are acknowledged by the other signatory countries as having met the academic requirements for entry into the practice of engineering.

Pakistan Engineering Council (PEC) is the Regulatory Body to undertake multiple tasks; one of these is to regulate the conduct of engineering education. The quality of engineering programs is ensured through a comprehensive process of accreditation adopting international best practices. Emphasis is placed on adherence to accreditation standards to ensure quality of engineering programs offered in public and private institutions.

In OBE framework, first of all Program Educational Objectives (PEOs) for

every engineering degree awarding program are devised. These PEOs are expected attributes which a graduate of that program may exhibit about five years after his graduation. These PEOs can be obtained by some Program Learning Outcomes (PLOs) which a person must qualify during his whole stay at the university as undergraduate student. There are twelve PLOs, which are enlisted at the end of this booklet, for each and every degree awarding program of UET Taxila. Apart from regular result in the form of grades obtained in every course and a CGPA, a comprehensive PLO attainment sheet of every student is also prepared and maintained in every academic department. These PLOs are achieved through well-defined and properly mapped Course Learning Outcomes (CLOs) of each course of the Engineering program. These CLOs cover appropriate levels of Bloom’s Taxonomy in cognitive, affective, and psychomotor domains.

This manuscript contains rules and regulations related to to semester system (teaching, examination and fees & other charges), students’ discipline, migration, and hostels. All such rules are duly approved by relevant statutory bodies of UET Taxila.

Commencement and Applicability:

- These Regulations shall be called “The University of Engineering and Technology, Taxila; Rules and Regulations for Undergraduate Programs”.
- These shall come into force with immediate effect for undergraduate degree Programs of the University and will be applicable for all enrolled students.
- In these regulations; the pronoun ‘he’ and its derivatives are used for both male and female persons. Depending upon the context, the words imparting the singular number include the plural number as well, and vice-versa.
- First Edition — August 2020.
- Second Edition — November 2022
- Third Edition — August 2023: which includes amendments recommended in 50, 51 & 52/2023 meetings of the Academic Council and approved in 64/2023 meeting of the Syndicate.

- xxxviii. “University” means the University of Engineering and Technology Taxila.
- xxxix. “Vice-Chancellor” means the Vice-Chancellor of the University.

Academic Calendar:

The Bachelor's Degree Program shall be spread over four academic years (minimum Eight Regular Semesters). Each academic year shall consist of two regular teaching semesters that is Fall and Spring and an optional Summer semester. In case of regular semesters (Fall and Spring) there shall be sixteen weeks of teaching while in case of Summer semester there shall be eight weeks of teaching with double workload.

The Director Academics shall prepare an academic calendar of a complete year in consultation with chairpersons of academic departments, controller of examinations, director student affairs and director sports in line with policies and guidelines of the university. This academic calendar shall be notified by Director Academics after approval from Vice-Chancellor in the meeting of Deans' committee.

The academic schedule will include the following:

- i. Semester registration date
- ii. Semester starting date
- iii. Teaching weeks
- iv. Mid semester examination
- v. End semester examination
- vi. Summer semester
- vii. Others (like; sports/students' weeks, semester/Eid beaks, summer/winter vacations etc.)

Students shall be responsible to meet the requirements and deadlines published for each semester in the academic calendar. Students shall also be expected to know and adhere to the rules, regulations, course loads and policies of the University as well as those of the departments in which they are enrolled.

1 SEMESTER SYSTEM

1.1 General

a. Duration of Degree Program:

- i. The minimum duration of the degree program shall be four academic years (Eight Regular Semesters). While the maximum duration allowed is seven years.
- ii. Notwithstanding anything to the contrary contained in these regulations, no candidate shall be admitted to an examination after the expiry of seven academic years. This period shall be counted from the date of his registration to the first semester in the University.
- iii. In case a candidate is admitted directly to a higher class (by migration or transfer of credits), he shall not be admitted to an examination after the expiry of the remaining period for the session to which he is admitted.

b. Credit Hours for the Award of Degree:

The total number of credit hours required for the award of degree shall be 130-136 while the number of credit hours for a regular semester shall be 15-18 (excluding additional courses). The courses of study, the credit hours allocated to each course, the total credit hours offered in a semester and the detailed syllabi shall be as approved by the competent authority.

c. Minimum CGPA for the Award of Degree:

A minimum CGPA of 2.00/4.00 for the total passed semesters of a degree program shall be required for the award of degree. The student affected by this regulation shall have the option to repeat the courses in which his grade is less than C within the maximum allowable time.

d. Medium of Instructions:

The medium of instructions and examinations shall be English for all subjects except Islamic Studies and Pakistan Studies for which the medium of instructions and examinations shall be either Urdu or English.

e. Summer Internship:

Every student shall be required to participate in a four to six weeks of practical training during the summer vacation of their second or third year and submit a formal report to the Chairman of the department.

1.2 Semester Registration

The registration of the students for each semester other than the first semester shall be made by the concerned Academic Department of the University. The registration for the first semester shall be made by the admission office.

- a. Regular semester fee & charges are payable before the start of every semester (Fall or Spring). The Treasurer will notify the fee schedule for all sessions one month before the start of every new semester in accordance with the Academic Schedule notified by the Director Academics. The last date of semester registration will be the last date of regular semester fee & charges submission.
- b. The registration of the students (forms or online) for each semester will be done by the Chairmen of the academic departments.
The notified regular semester fee and charges for each semester shall be managed by the Treasurer. The registration and fee submission shall be completed ten (10) days prior to the start of the semester.
- c. In case of a regular semester, if a student fails to register himself and/or to deposit the regular semester fee & charges (Defaulter Students' List to be notified by the Treasurer) for some cogent reasons, a fine of Rs. 100/- per day will be charged till one month of the commencement of classes. During this period chairman of the department can permit such candidate for late registration with payment of fine till that date.
- d. If a student fails to get himself registered for a regular semester and/or does not deposit the regular semester

fee & charges (Defaulter Students' List to be notified by the Treasurer) till one month after start of semester, he will be treated as **suspended** from the department. The Chairman will notify his suspension to all concerned. The Chairman can lift this suspension after the payment of re-admission fee and a fine of Rs. 4,000/-.

- e. After one month of start of a regular semester, chairmen of all academic departments will notify the complete lists of registered students to all the concerned. These lists also include the students who have frozen their semester or who have registered themselves for additional courses with junior sessions and the names of students whose admissions have been suspended.
- f. The student who fails to register for a regular semester and/or to deposit regular semester fee & other charges (Defaulter Students' List to be notified by the Treasurer) till the mid-semester examinations, his admission shall stand **cancelled** which will be notified by the Chairman. Such students will not be allowed to sit in the classes and to attempt the end semester examination of the semester.
- g. The student whose admission has been cancelled can apply for re-admission. In this case application will be routed through Departmental Semester Committee (DSC) and will be placed before the Dean for the final decision. The Dean will notify this decision to all the concerned. Re-admission fee, fine of Rs. 8,000/- and any other penalty imposed by the Dean will be applicable.
- h. For all the above-mentioned cases, the student will not claim any other relaxation in the rules governing for teaching, attendance, and examinations etc.
- i. The student who fails to register himself and/or to deposit the regular semester fee & charges before the end semester examination of the semester, he will be treated as **dismissed** from his regular session. If he is willing for re-admission, he shall apply for forced relegation with the junior session explained in relevant clause of UG Rules & Regulations.

1.3 Attendance Requirements

No candidate shall be eligible to appear in an end semester examination unless the following conditions are fulfilled:

- a. He has been on the rolls of the University during the semester for which the examination is being held.
- b. He has not debarred from taking the examination under the University rules and regulations enforce for the time being.
- c. He has attended a minimum of 75% of the total number of lectures delivered, the laboratory periods held, design and practical work done in a course during the Semester for which the examination is being held. The Dean of the concerned faculty may, for valid reasons, condone this deficiency up to 10% on the recommendations of the Chairman of the department in consultation with the course teacher concerned.
- d. If a student does not fulfill the condition of attendance, he shall be awarded an 'F' grade in that course, whether theory or Lab. He will have to re-register himself for that course in the summer semester, if offered, or in a regular semester (as an additional course, if possible as per rules) in which the course is being offered.
- e. The course teacher(s)/Lab teacher(s) concerned will maintain the attendance record for their courses. They will display and forward the list of such candidates who do not fulfill the condition of attendance to the Controller of Examinations through the Chairman of the Department, and the Dean of the concerned Faculty, immediately after the completion of the teaching session. Such candidates shall not be allowed to appear in the End Semester Examination of that course.

1.4 Grading Mechanism

Course grades shall be awarded to the students preferably based on their relative performance in the course with minimum students' strength more than ten (10). Grading shall be usually carried out based on normal distribution curve using statistical

methods with preferably 'B-' as the class average. Grades shall be indicated by letters. There shall be 4 letter grades i.e. A, B, C and D for individual courses with 9 performance levels: A, A-, B+, B, B-, C+, C, C-, and D. Moreover 'F' grade stands for 'Fail' which will be awarded to all students having less than **35%** aggregate in any course in case of relative grading. There is also an 'I' grade for Incomplete The grade points assigned to letter grades shall be indicated as under:

Letter Grade	Grade Points	Letter Grade	Grade Points
A	4.00	C+	2.33
A-	3.67	C	2.00
B+	3.33	C-	1.67
B	3.00	D	1.00
B-	2.67	F	0.00

Note: These grade points will be applicable from Session 2023 onwards.

The following guideline for the award of Letter Grades can be used by the course teachers in case of absolute grading and final year project evaluation etc.

Letter Grade	Marks (%)	Letter Grade	Marks (%)
A	90-100	C+	65-69
A-	85-89	C	60-64
B+	80-84	C-	55-59
B	75-79	D	50-54
B-	70-74	F	<50

1.5 Grade Point Average (SGPA and CGPA)

The Semester Grade Point Average (SGPA) will be calculated as:

$$SGPA = \frac{\text{Sum over all courses in a Semester (Course Credit Hours} \times \text{Grade Point Earned)}}{\text{Total Semester Credit Hours}}$$

The Cumulative Grade Point Average (CGPA) will be calculated

similarly (as that for SGPA) for all the courses taken in all the semesters of the degree programs as:

$$\text{CGPA} = \frac{\text{Sum over all taken courses in all Semesters (Course Credit Hours} \times \text{Grade Point Earned)}}{\text{Total Credit Hours in all Semester}}$$

1.6 Evaluation Components

The course teacher shall be responsible for the evaluation of work/performance of the students of his class and for the award of grades to them. Theory and lab courses are evaluated separately based on the following evaluation components.

a. Theory Course:

i. Quizzes/Assignments/Projects/Presentations:

There shall be an appropriate number of quizzes/ assignments/ course project/ presentations etc.

ii. Mid Semester Examination

There shall be one Mid Semester Examination of 1.5 to 2 hours duration for each course in a semester after eight weeks of teaching in case of regular semester and after four weeks of teaching in case of summer semester.

iii. End Semester Examination

There shall be separate End Semester Examination for every course. The duration of this exam will be 2 to 3 hours covering the entire syllabus at the end of each semester. The examination shall be held after sixteen weeks of teaching of each regular semester and after eight weeks of teaching in case of summer semester.

Weightage of Evaluation Components/Assessments: The final grade of a course shall depend on the marks obtained in each of the evaluation components listed above. The weightage given to each component is as follows:

Evaluation Components/ Assessment Type	Weightage
Quizzes/ Assignments/ Projects/ Presentations	25%
Mid Semester Examination	25%
End Semester Examination	50%

b. Lab Course:

Weightage of Evaluation Components/Assessments: The final grade of a Lab course shall depend on the marks obtained in each of the evaluation components, listed in the table, along with weightage given to each component is as follows:

Evaluation Components/ Assessment Type	Weightage
Lab Assignments/ Lab Performance/ Lab Report/ Lab Project/ Presentation/ Mid Semester Exam	80%
End Semester Viva & Practical	20%

Note: Absence in any of the evaluation components shall be awarded zero marks whereas the absence in the End Semester Examination or in the End Semester Viva & Practical Examination shall be awarded an ‘F’ grade irrespective of the sessional marks. It is the responsibility of the course teacher to mark “A” (Absent) instead of “0” (Zero) against the End Semester Examination or in the End Semester Viva & Practical Examination as per the attendance list provided to him by the Superintendent for the absent students. The Chairman of the Department will also ensure the marking of Absent in the End Examination components.

1.7 Academic Deficiencies

A student, who obtains one or more of the following in a semester result shall be considered academically deficient:

- i. One or more ‘F’ grades in a semester

- ii. SGPA less than 1.0 at the end of 1st semester
- iii. CGPA less than 2.0 at the end of 2nd semester and onwards

a. Academic Dismissal

A student who fails to obtain a minimum CGPA of 1.0 at the end of 1st, 3rd, 5th & 7th semesters of a degree program shall be placed on academic probation for the 2nd, 4th, 6th & 8th semesters respectively being academically deficient. In case, he fails to improve his CGPA to 1.0 at the end of 2nd, 4th, 6th & 8th semesters respectively, he will be dismissed academically. Such student shall, however, be furnished with an official transcript indicating the courses completed along with grades earned in registered courses. Academic dismissal will be notified by the Controller of Examinations.

Note: *Above clause is applicable from Session 2023 onwards.*

b. Academic Relegation

The students who have been dismissed on academic grounds as mentioned above in (a) will be academically relegated and may be re-admitted to one lower session without going through the admission process but only for once. In this case, on the request of the student and recommendations of the Chairman concerned, the admission office shall issue a re-admission notification.

c. Willing Relegation

Any academically deficient student can apply to the Chairman of concerned department for Willing Relegation to lower semester to overcome his academic deficiencies. The Chairman will refer his case to the Departmental Semester Committee (DSC) for appropriate decision. The case will be forwarded to the Controller of Examinations, after approval of the concerned Dean, for subsequent notification. The Willing Relegation to lower semester can only be availed once during the entire degree program subject to written consent of the parents/ guardians.

d. Forced Relegation

The student who fails to register himself and/or deposit the regular semester fee & charges before the end

semester examination of any semester, he will be treated as dismissed from his regular session. If he is willing for re-admission, he shall apply for Forced Relegation with the junior session. The Chairman will refer his case to the Departmental Semester Committee (DSC) for appropriate decision. The case will be forwarded to the Controller of Examinations, after approval of the concerned Dean, for subsequent notification. The Forced Relegation to lower semester can only be availed once during the entire degree program.

- e. In all above-mentioned cases, the student will be registered in the same semester with junior class and his courses shall be evaluated by the concerned Chairman of the department to determine their relevance to the changes made in the curriculum (if any). In such case, the student shall be required to modify the degree plan to ensure conformity to the recent curriculum. Also, student will be required to pay the difference of university fee (if any) besides the re-admission fee. The student will have to complete the credit hours as mentioned/ defined for the session in which he has been relegated.
- f. The student can be relegated only once during the entire degree program either through Academic Relegation or Willing Relegation or Forced Relegation.

Note: *In all the above cases the maximum duration of degree program shall remain the same which will be considered from the date of his first semester registration.*

1.8 Repeating and Improvement of Courses

- a. An academically deficient student, either regular or casual, shall be allowed to repeat/improve the courses during the summer semester (if possible to offer) as well as during the regular semesters whenever the teaching and examination schedule makes it possible for him to register himself for the additional courses with junior classes within the department and to take the Mid and End Semester

Examinations.

- b. An academically deficient regular student shall be allowed to get himself registered for as many additional courses with junior classes within the department, such that his total semester load does not exceed 21 credit hours (Fall and Spring) and the contact hours also does not exceed the total number of available work hours per week.
- c. An academically deficient casual student will be allowed to get himself registered for as many courses in his post eighth semester such that his total semester load does not exceed 21 credit hours (Fall and Spring) and the contact hours also does not exceed total number of available work hours per week.
- d. In case of repetition/improvement of a course the student shall have to pay the course registration and examination fee as prescribed by the university. He will submit the registration form along with submitted fee challan in the academic cell within first two weeks of the start of regular semester. No registration in additional course will be allowed after one month of start of regular semester. It shall be noted that a student can only improve a grade lower than C (that is C-, D, and F)
- e. If a student registers himself for improvement of a course and completes it, the better grade obtained by him shall be considered for the computation of SGPA and CGPA.
- f. In case a student repeats an elective course, which has already been taken, and in case a student takes a new course in lieu of that elective course in which he failed, both the courses along with grades will be reflected on his transcript.
- g. In case of repetition/improvement of a course during regular semester, no request for re-mid exam or 'I' grade will be entertained.

1.9 Summer Semester

Summer semester is an optional semester in which courses are offered as per the availability of faculty and resources.

- a. Summer semester shall be only for those students who

want to repeat/improve certain courses to make up for their academic deficiencies. First attempt to study any course shall not be allowed in summer semester.

- b. An academically deficient student, either regular or casual, shall be allowed to get himself registered for maximum of 3 courses upto 9 credit hours only provided that contact hours also does not exceed the total number of available working hours per week.
- c. The minimum strength to offer a course in Summer Semester will be Five students. However, the Dean of faculty may relax the condition of five students on the recommendations of the Chairman of the concerned academic department only for the graduating and casual students. In case if such course is offered, it will be open for registration to other students as well. Fee as prescribed by the university will be charged from all such registered students.
- d. Teaching and actual lab conduction shall be mandatory for all offered courses in summer semester.
- e. The contact hours during the summer semester shall be doubled to ensure that the course is completely taught with half of the duration compared to the regular semester.
- f. Letter Grade awarded during summer semester shall not be more than a 'B' grade. Also, no 'I' grade will be awarded

SUMMER SEMESTER

in summer semester.

- g.** The registration, attendance, conduct of examination and result display policies etc. during the summer semester shall be same as in regular semester.
- h.** It is in the best interest of the students to clear their failed courses or the courses where they want to improve their grades by repeating the courses as early as possible. The University will not be responsible to offer failed or improvement courses in the final year unless and until the other conditions of summer semester registration are fulfilled.

1.10 Freezing of Semester(s)

- a.** Students will be allowed to freeze one or two semester(s) only once during the entire degree program owing to some extreme and genuine reason to be determined by the DSC. Students shall not be allowed to freeze their First and Second Semesters in any circumstances. Only those students who have completed their first academic year at the university shall be eligible to avail this facility. A student must apply to the Chairman of the Department, in writing, for freezing of one or two consecutive semesters within fifteen days of commencement of the semester. A student can request for freezing of at most two consecutive semesters with Summer Semester not being counted. The Dean of concerned faculty will approve the case of freezing on the recommendation of the DSC, and the Controller of Examination shall notify it to all the concerned. Regular semester fee is chargeable for frozen semester(s).
- b.** In case of freezing two consecutive semesters the student on his return will be registered in the same semester with next junior class and his courses shall be evaluated by the concerned Chairman of the department to determine their relevance to the changes made in the curriculum (if any). In such case, the student shall be required to modify the degree plan to ensure conformity to the recent curriculum. Also, students will be required to pay the difference of

- university fee (if any) besides the re-registration fee.
- c. In case of freezing one semester, the student may rejoin his own class or may request for further extension of freezing next/forthcoming regular semester. The deficiency created by frozen semester shall be made up after completing the remaining courses with his class that is after eighth semester by enrolling as a casual student.
 - d. The students allowed to freeze their semester for proceeding abroad under Educational Exchange Programs, will be eligible to register themselves for deficient courses in forthcoming Regular Semesters to overcome their academic deficiencies, provided the requirements for registration in Regular Semesters (as additional courses) are fulfilled as prescribed in the prevailing regulations.
 - e. The maximum duration of the degree program shall remain the same, in case a freezing is availed, which will be counted from the date of his first semester registration including the frozen semesters.

1.11 Withdrawal of Original Documents

The student may be allowed to withdraw their original documents (SSC/HSSC/Domicile) for some other use/purpose but he will not be allowed to withdraw all three original documents (SSC/HSSC/Domicile) at one time. - ii. A student, who fails to fulfill the degree requirements within the minimum prescribed time duration, shall not be allowed to reside in the university hostels.

OUTCOME BASED EDUCATION (OBE)

Outcome Based Education (OBE) is the hallmark of UET Taxila education and following are the Program Learning Outcomes (PLOs) adopted by each academic department of the University

PLO	Statements	
PLO -1	Engineering Knowledge	Ability to apply knowledge of mathematics, science, engineering fundamentals and an engineering specialization to the solution of complex engineering problems.
PLO -2	Problem Analysis	Ability to identify, formulate, research literature and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences
PLO -3	Design and Development of Solutions	Ability to design solutions for complex engineering problems and design systems, components or processes that meet specified needs with appropriate consideration for public health and safety, cultural, societal, and environmental considerations.
PLO -4	Investigations	Ability to conduct investigation into complex problems using research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of information to provide valid conclusions.

PLO -5	Modern Tool Usage	Ability to create, select and apply appropriate techniques, resources, modern engineering and IT tools, including prediction and modeling, to complex engineering activities, with an understanding of the limitations.
PLO -6	Engineer and Society	Ability to apply reasoning informed by contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to professional engineering practice.
PLO -7	Environment and Sustainability	Ability to understand the impact of professional engineering solutions in societal and environmental contexts and demonstrate knowledge of and need for sustainable development.
PLO -8	Ethics	Ability to apply ethical principles and commit to professional ethics and responsibilities and norms of engineering practice.
PLO -9	Individual and Teamwork	Ability to function effectively as an individual, and as a member or leader in diverse teams and in multi-disciplinary settings.
PLO -10	Communication	Ability to communicate effectively on complex engineering activities with the engineering community and with society at large, such as being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

**RULES AND REGULATIONS
FOR UNDERGRADUATE PROGRAMS**

PLO -11	Project Management	Ability to demonstrate knowledge and understanding of engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.
PLO -12	Lifelong Learning	Ability to recognize the need for, and have the preparations and ability to engage in independent and lifelong learning in the broadest context of technological change.
